

CLUBS READY FOR KICKATHON

All clubs are ready and able to do their part in the kickathon from Greenmount to Main Beach on Sunday, April 5, to aid the Surf Lifesaving clubs.

A feature of the day (and as yet a mystery as to how it will be done) will be the attempt by all runder to boot the footy over Burleigh Hill.

There is expected to be a big crowd at Tallies-budgera to see Allround-er try to do what the best Rules kickers regard as impossible.

There is much discussion at present about the possibility of reserve senior teams being fielded in season 1971.

Before the 1970 fixtures start on April 19, there will be some very interesting trial games, and the Labrador v Surfers match at Isle of Capri on April 12, should be a classic, as both clubs have recruited well, and both teams are sure to be full of talent.

PALM BEACH-CURRUMBIN has signed yet another good player, Geoff Noble, a half forward flanker from Elsterwick (Vic).

Club secretary, Frank Travalgia, sees the clubs best year yet, with a 50 per cent improvement on last year's team.

The rucks will be bigger and better this year with new recruits and the return of Peter Walter.

New coach, Maurie Fowler, is due this weekend and players, officials and supporters are reminded of the Lions 'meet the coach' night next Tuesday evening after training.

New policies are paying off at the club which will be much stronger,

with more non-playing officials.

Coolangatta, battling blues, the Club with a sense of humor, are considering writing a book on their recent hilarious boat trip.

It would be a best seller.

Training is proceeding well, but you 17 players are urgently required to contact the Club.

The Demons' coach, Frank Sutherland, is proceeding with his well-planned training schedule, and is sure to have his side fit at the right time.

With so many senior players available it will not be easy to gain selection in the Senior team this year.

The club is confident of fielding a good under 17 side with several of last year's star under 14 side moving up.

Southport Magpies have been quiet with news, but training is proceeding well and they should come up with a good team again.

The Club has ex-star player, Terry Larkins, as under 17 coach, so all under 17 potential players should get to training now, and learn from a real master.

Goal sneak

The Lismore bombers have lost their star player, Jim Hourigan, last year's winner of the GCAFL best and fairest and the Tobiano Awards, who has retired.

The Evergreen Pimpernel, goalsneak John Mason, also claims to have retired, but it will

not be surprising to see him pop up once again.

The Bombers have got a few good recruits and should field a good side once again.

The Labrador Tigers are poised for their best year ever.

Officials are delighted with the large attendance of all three grades at training and with the standard of their many new recruits.

To make their smiles even broader, is the start on their new change rooms which may be finished before their first home game.

The Tigers are looking forward to their practise clash with Surfers' Paradise, and are confident of beating the Demons and proving their class before the season has started.
